

**Dear all,**

**We hope this message finds you well.**

As a valued partner of our center, we would like to inform you of an important update regarding export procedures to the Kingdom of Saudi Arabia. The Ministry of Commerce in Saudi Arabia has recently implemented a change in the commercial registration system.

To avoid any complications during the issuance of shipment certificates, we kindly request that all exporting factories and slaughterhouses be directed to contact their importers in Saudi Arabia and obtain the updated commercial registration number, which now begins with 700.

Ensuring the use of the correct registration number will help facilitate smooth processing with issuing shipment certificate .

We highly appreciate your continued cooperation.

Kind regards,

مع الشكر والتقدير - kind regards
